- *Same Day Use* - After the dough reaches room temperature, it can be used the same day it is thawed.
- *Extended Shelf Life* - Once the dough is thawed, it will last in the cooler up to five days.
- *Maintains Form* - After the dough is thawed, it will maintain its roundness
- *Maintains Substance* - The dough does not disintegrate after being in the cooler for a few days.
- *Pre-Oiled* - The dough is oiled before it is packaged; therefore it does not stick to the bag when you remove it.
- *Great Taste* - We use garlic in our dough to enhance the flavor.
- *High Versatility* - The dough can be used for more than just pizza. You can make stuffed pizzas, breadsticks, dessert pizza, calzones & more!
- *Competitively Priced* - The dough is priced with customers in mind to provide maximum quality with the lowest cost.
